Dotcom Creativez, Thrissur, Kerala

- Collaborated with design and content teams to develop brand-aligned marketing materials and campaign messaging for client accounts.
- Assisted in creating content for social media, websites, and marketing campaigns that communicated brand positioning clearly.
- Managed social media community engagement, responding to audience interactions to strengthen brand relationships.
- Supported SEO and competitor research to help inform brand messaging and content strategy.
- Contributed to lead generation and brand awareness initiatives through organic and paid marketing strategies.

Freelance Brand Content Creator

Chickus Bakery (Food & Bakery Brand)

- Shape brand voice and visual identity for a food and bakery brand through consistent bilingual copywriting and a signature punchy, three-part messaging style.
- Create and edit brand content (reels, carousels, posters), ensuring visual and tonal consistency across all customer touchpoints.
- Develop culturally-relevant campaign concepts (seasonal offers, festival moments) that connect the brand with local audiences.
- Produce creative storytelling content, including a cinematic dialogue-style piece, to present the brand's personality to its audience.
- Use AI-assisted design and video editing tools to produce and refine brand-consistent creative output.

Freelance Brand Copywriter

Project basis

Dotin Digital Academy

- Crafted audience-specific brand messaging in Malayalam for a digital marketing academy, adapting tone for students, graduates, and career switchers.
- Refined how the brand communicated its value (flexibility, accessibility, affordability) to connect more persuasively with each audience segment.

Founder & Presenter

Ongoing

Personal Brand — "thedigi.verse"

- Built a personal brand publishing educational content on digital marketing topics, establishing a public voice and presence in the space.
- Communicate technical marketing concepts (e.g., GA4, performance vs. traditional marketing) in clear, audience-friendly formats to build credibility and engagement.

PROJECTS
