- Assisted in producing content for social media, websites, and marketing campaigns to strengthen brand visibility.
- Collaborated with design and content teams to develop marketing materials aligned with client objectives.
- Supported SEO-informed content decisions, including keyword research and on-page optimisation, to improve content discoverability.
- Contributed to campaign execution across organic and paid channels to grow audience engagement.

Freelance Content Creator & Digital Marketer

Chickus Bakery (Food & Bakery Brand)

- Produce ongoing content for a food and bakery brand across Instagram reels, carousels, and promotional posters, maintaining a consistent brand visual identity.
- Write bilingual (Malayalam/English) copy in a signature punchy, three-part headline style tailored to the brand's voice.
- Edit video content, including replacing branding elements, restoring audio, and compositing logos into reel clips.
- Use AI image-generation tools (DALL-E, Midjourney) to create concept-driven visuals and design assets in Canva.
- Built a custom HTML-to-image content pipeline to produce pixel-accurate branded carousel content at scale.
- Develop seasonal and culturally-timed content campaigns (festival tie-ins, seasonal promotions) to keep the content calendar relevant and engaging.

Freelance Ad Copywriter

Project basis

Dotin Digital Academy

- Wrote Malayalam-language ad copy for a digital marketing academy, tailoring tone and messaging to distinct audience segments (students, graduates, career switchers).
- Tested multiple content angles (flexibility, accessibility, affordability) to identify messaging that resonated most with each audience.

Founder & Content Creator

Ongoing
